Breitenbach, $3.60 per day; H. Castagnasso, $3.09 per day; H. E. Tracy, $3.40 per day.

G. L. Stock was in San Francisco the fore part of the week.

The Index-Tribune acknowledges a pleasant call from Mrs. W. H. Curry, whose name was added to our list of subscribers. Mr. and Mrs. Curry formerly resided in San Francisco, but the ill heath of both necessitated their leaving the metropolis. Several acres in the Vineburg district were purchased by the estimable couple, who built a cosy home, planted out fruit trees, and are most comfortably and contentedly established. Out-door life has proven very beneficial to Mr. and Mrs. Curry, and both are now in the enjoyment of perfect health and enthusiastic in lauding climatic conditions of this section.

On Sunday, June fourteenth—Bear Flag Day—in Trinity Episcopal Church, Morning Prayer will be said at nine o'clock. There will be no other services. This will give the members of Trinity Church the opportunity of being present at the service in the Mission. This thoughtful courtesy on the part of the rector, Rev. J. Henry Oelhoff, will be greatly appreciated, and the initiative set will undoubtedly be followed by the other members of the clergy, as fitting tribute to the complete restoration of the sacred old edifice, whose founding marked the birth of Christianity in Sonoma Valley.

Two youths, who for a fortnight past had been sojourning with their parents in a cottage, at Woodleaf Park, were arrested, Sunday, on a charge of cruelty to animals and indecent exposure. The parents of the youths are reputable Oakland people, who keenly feel the humiliation brought upon them by their sons. The father claims that his boys do not believe they offended public morals by indecency, but as they were under the influence of liquor, could not swear positively to their actions, and, therefore, were advised by their parent to plead guilty. This they did, paying the fine of $50 ea h, imposed by Judge Campbell.

James Kehoe was the victim of an accident, Sunday, which was a miraculous escape from being a fatality. The young man was trying to head off his run-away cow, and was riding his horse with such terrific velocity that, in making the turn facing the cow, he could not check the speed of the animal, and rider, horse and cow collided with with such force as to hurl the young man senseless, he remaining in an unconscious condition for several hours. Dr. Thomson attended Mr. Kehoe, and found that while the youth was badly contused, yet he had been most fortunate in escaping without broken bones. The horse was knocked down and partially stunned, and the horn of the cow was broken. James is receiving the congratulations of his host of friends on his lucky escape.

Ex-mayor M. E. Cummings, of our city, has been honored by the grand president of the Native Sons, Louis H. Mooser, who in appointing standing and special committees for the order, favored Sonoma by naming our popular Native Son a member of the Committee on Historic Landmarks. The compliment is deserved, and is appreciated by Mr. Cummings and his friends.

A. Rahwyler, of San Francisco, has purchased the jewelry business of Eugene Oppliger, together with stock and fixtures, the business being turned over to its new owner Thursday. The gentleman's wife and two sons arrived here yesterday, and are ensconced in the Clerici cottage, on Napa street, where the family will reside. The eldest son will finish learning the lithographing trade in the metropolis, spending the week-ends with his parents. Mr. Rahwley is an expert jeweller and a reliable, worthy gentleman. He and his family will be valued and welcome residents. Mr. Oppliger expects to remain here, we are glad to note, but will enjoy a well-earned rest and vacation in San Francisco, Bakersfield and other points.

Many old-time friends of the family will deeply regret to learn of the death of Mrs. Lelia Colyn, wife of Rev. Arthur Chase, who passed away suddenly at the family home, on the Clark farm, just above Glen Ellen. Mrs. Chase had suffered from asthmatic troubles for several years, which had been aggravated of late, her condition becoming very serious. Just before retiring, Sunday night, at about eleven o'clock, Mr. Chase smoothed her pillows and comfortably settled his wife for the night. The summons to eternal rest came before dawn. The deceased was a native of Missouri, aged fifty-seven years, and besides her devoted husband, leaves three sons and two foster daughters to mourn her loss. She was a woman of endearing personality and rare character, which won for her a host of friends in Sonoma, during her husband's pastorate of the Congregational Church, about fifteen years ago. The remains were taken to Oakland, Wednesday, for cremation.

Henry Beeson, the last survivor of the famous Bear Flag party, died at the home of his son-in-law and daughter, Mr. and Mrs. H. N. Ornbaum, at Ornbaum, Mendocino county, Wednesday of last week. The aged pioneer was born in Kentucky, in 1829. He moved with his parents to Missouri, when a small boy, and crossed the plains to California in 1845, settling first in Sacramento, and later in Sonoma. He was but a boy when the Mexican war broke out, and the proudest and most memorable event of his life's history was that of having helped to unfurl the Bear Flag to Sonoma breezes, on that eventful June day in 1846. At the funeral of the deceased, the Bear Flag was carried at the head of the cortege. The absence of the noted pioneer at the unveiling of the Bear Flag Monument will occasion universal regret. Mr. Beeson had ardently hoped to have witnessed the—to him—crowning episode in California history.

Splendid Races--Novelties in Fireworks for Big Celebration

Arrangements for the Bear Flag Day celebration are rapidly nearing completion, and committeemen are working like beavers to have perfect management insured for the fete days. At Monday night's special meeting, on the broad shoulders of M. E. Cummings was laid the gigantic duty of chairman of the celebration, and that gentleman is "hustling to beat the band" soliciting, and endeavoring to provide satisfactory railway accommodations. Mr. Cummings has secured the assurance that an eight-fifteen special train will leave San Francisco for this city Sunday morning. It is expected that late evening train service will also be given.

At Thursday night's meeting, the parade was the subject of animated discussion, the committee in charge reporting that while not definitely assured, yet many beautiful floats will undoubtedly be entered.

Messrs. Paul Robin, Jos. Keiser and Jas. Maffei were appointed a committee to decide as to whether or not Queen California will be elected by popular vote. The plan proposed is to select five of our valley's fair daughters, and by ballot decide which of the quintet shall represent the Golden State, the remaining quartet to officiate as maids.

Deputy Sheriff Joseph F. Ryan, chairman of the committee managing the races, spent Monday in the metropolis gathering in "lines" on the horses to be entered at the meet of June 13th. The "broad grin" worn on his return was all-sufficient without Joe's assurance that "the races will be the very best ever witnessed on the Sonoma course. Just quote me as saying so, too," said Mr. Ryan, "because it is an actual fact. That means the 'Pace of the Swift,' rest assured, for we've had horses on that old track that could go some, too, I tell you.

"Just you show this list to any lover of the sport and the ponies, and note his eyes shine," enthusiastically declared the intrepid driver, with a responsive gleam in his own. "The fastest—the very best, mark you!—matinee horses in California have been entered in our races, and some of these have made fine records at the Stadium, Golden Gate Park, and have yet to be beaten."

Here's the list:

Free for All—Happy Dentist, Vera Hal, Daisy R., Hamburg Belle.

2:15 Pace—Tom Murphy, Red Pointer, W. J. K.

Free for All Trot—J. C. Simpson, Silver Hunter, Harrold C.

In connection with the abovenamed, speedy pacers and trotters from Santa Rosa, Petaluma and other points will compete for supremacy.

Mr. Ryan, himself, with honors galore to his credit, will enter the arena in an endeavor to win more laurels.

"Am I in the race for sheriff? Most assuredly," emphatically replied Mr. Ryan, "in dead earnest, after we drive home from the races. But not to attain the Presidency could I relinquish the ribbons of my beloved ponies."

Which is one of the reasons, by-the-way, why the June races will be a meet worth while.

Roy Pauli, chairman of the committee on fireworks, informs us that the display, for which an order has been placed, will be very fine, and includes twenty-six pieces. Baseball Park is to be the scene of the brilliant illuminations.

The program comprises a salute, shells bursting in air, to be heard for many miles; illumination, twenty-four bags of red fire; spider bombshells, which will send three immense golden spiders creeping across the sky; battery display, which will the ce... grow myriads of diamond stars, ...dy of ...ty to sixty feet into the air; sylvar dered. ...untain display, three mammoth dresse... ...scades, throwing giant sylvar shadow ...untains, forty to fifty feet high; ried a ...ammoth flash wheel, revolving at and n... ...at velocity and forming many attende... ...utiful designs of highly colored Clemen... three emerald bombshells, Charles... ...wing showers of emerald stars; brother... ...electric fireworks, scattering feast fol... ...ing electric stars many feet train M... ...he air: display of cornucopia their de... ...anging chain rockets; sylvar part of ... ...bombshells, which cover an trip. Two special exhibition pieces will be shown, the first being a minute outline of the California Bear Flag, in its true colors. The flag will cover an area of over seventy-five feet, and will float high in the breeze for several minutes.

The other very beautiful and appropriate piece, will be an exhibition of a design five by fifteen feet, outlining the monument. The coloring on this piece will be the true colors of the old pioneer and the Bear Flag and everything else that is imbibing in the monument.

WOMENS' CLUB IMPROVE CITY

The people of this city do not realize, we believe, the benefits resulting through the organized efforts of our women. Many, many dollars expended in the way of public improvements make but little showing, hence the efforts of Sonoma's energetic and public-spirited women have not been appreciated in fullest measure, or the full extent of all that has been accomplished realized.

Facts and figures talk, however, beyond disputation, and to show to our people just what improvements have been made since the organization of the Sonoma Valley Woman's Club, the members of the Club decided to place an official statement before the public showing how the money, raised from time to time, has been spent.

Mesdames S. P. Woodworth and J. D. Wagnon were named as a committee from the orgaization to delve into Club records and find the amounts spent for public improvements in Sonoma, report the following:

Library Club and Carnegie	$1603.48
Plaza and street work	1294.05
Mission (purchase and restoration)	804.09
Philanthropy	73.33
Bear Flag Monument	57.00
Tree planting and care	157.22
Advertising Sonoma	14 90
Total	4004.07

The plaza work consisted of plowing, making walks, gravelling, filling, planting trees and flowers, erecting three fountains, and furnishing benches.

The street work included widening the north side of Napa street, from First street, East, to center of Broadway.

The library report dates from the earthquake. Phlianthropy includes cash relief only.

At Rest.

All that was mortal of John Lewis Gottenberg was laid to rest in Mountain Cemetery, Saturday last. A large concourse of friends assembled in Masonic Hall to pay tribute of affection and respect to the beloved departed and to condole with the bereaved young widow, parents and brothers.

The simple, impressive burial service of the Order of Elks was conducted by Petaluma Lodge, of which deceased was an esteemed member. Rev. T. M. Price offered a fervent prayer, and feelingly addressed the bereft family with tender words of consolation.

The remains were borne to their last resting-place by Messrs. Hart, Ralph Hotz, Paul Robin, Walter Bundschu, Roy Pauli and J. A. Kinsella.

Beneath a pall of the most beautiful flowers, John Gottenberg was left in God's acre in peaceful, unbroken sleep.

Card of Thanks

We wish to sincerely thank the many friends for their sincere sympathy during the recent illness and death of our beloved husband, son and brother, and for the beautiful fioral offerings at the funeral.

Treasure Trove--Dutch Oven Yields Hidden W...

Almost as wonderful as some fanciful fictional tale of the long-ago, when Mother Earth sheltered within her bosom priceless treasure, is the story told by W. A. Lehrke, of his marvelous discovery of many thousands of dollars—in bars, nuggets, dust and coined gold—which had been hidden in a Dutch oven, and the oven buried in the cellar of what is best known as the old Rixford property. Surely, the South Sea Islands never yielded to the seeker of golden adventure a more thrilling experience and richer harvest than did that earth-worn iron receptacle on than eventful Friday morning of April 24th, to the gentleman who figured in the exciting episode.

Mr. Lerke claims Friday as his day of good fortune, and thirteen his lucky number. He came to Sonoma and settled on the old Carmody tract, on March 13th, three years ago, and his venture proved a highly profitable one. Subdividing the tract, he has sold it off in small holdings to good advantage, reserving eighty acres for his own home, beautiful Los Amigos Ranch.

Oft-repeated stories had been told the new owner of the property of those days in the early fifties, when Captain Granville Swift came to this valley, just from the mines, with a quarter of a million dollars; of how the lucky miner had occupied the old Rixford house before building his own mansion, and of the supposition that some of the Swift gold was buried on one or the other of the properties, or, perhaps both. So deep-rooted became the impression on Mr. Lehrke's mind that there was truth in the tales told, that he did not believe himself yielding to a vagary when, on the night in question, troubled, restless sleep, ended in what he claims to have been a presentment that treasure was within his reach, buried in the northeast corner of the basement, beneath his sleeping apartment.

So firm became Mr. Lerke's conviction, that he finally responded to the call which seemed of the supernatural, really, and despite the protestations of his wife, arose between three and four o'clock, and descended into the cellar, armed with pick and shovel, and proceeded to dig in the spot pointed out in his dream vision. Mr. Lehrke had penetrated the soil to a depth of scarcely six inches, when he encountered what proved to be the cover of the Dutch oven, which time and earth-decay rendered easily pervious. The erst-while miner drew forth what he found on examination to be a small gold bar. The remaining contents were withdrawn from the hiding-place in which they had reposed for half a century, perhaps, and the startled treasure-hunter was amazed at the amount of weath he had unearthed.

Carefully concealing his find, Mr. Lehrke returned to his apartment, but refrained from telling his wife of his marvelous discovery. He urged upon her, however, the imperative necessity of a visit to San Francisco that day, and they hurriedly prepared for the trip. With his new-found possessions, Mr. and Mrs. Lehrke motored into Sonoma, arriving at the North Western Pacific depot just twenty minutes after the departure of the south bound train. Then, the couple took what the gentleman describes as "the swiftest, wildest ride" in his experience, the party reaching the Sausalito ferry ahead of the Sonoma train which they had missed.

When Mr. Lehrke's "pot of gold" was put on the scales, it weighed ninety-two pounds, six ounces and twenty pennyweights, which, converted into coin, totals $42,600. The treasure comprised five fifty-dollar slugs, milled in '40; $2600 in twenty-dollar gold pieces, milled from '50 to '58, and the balance in nuggets, dust and bars. An old miner's belt, with the findings, contained a small quantity of dust. Mr. Lehrke informs us he has been offered $1500 apiece for the slugs.

As this is undoubtedly a case of "Finders, keepers," and as there doesn't appear to be any "Losers, weepers," Mr. Lehrke is receiving the congratulations of his friends on his rare good luck in securing what is certainly "some find."

SOCIALISTS PROTEST

At a regular business meeting held Sunday, May 2, 1914, Local Sonoma ...th Socialist party, adopted the following resolutions:

Whereas, a state of civil war has existed in the coal regions of Colorado for many months past, due to the labor controversy between the mine owners and the miners, and resulting in civil chaos, violence and bloodshed,

And whereas, many women and children—not to mention scores of strikers—have been ruthlessly murdered by the Colorado state militiamen and nine guards in this war for the increase of profits and the further enslavement of the coal miners,

And, whereas, we members of the Socialist party of America recognize in this strike a phase of the world-wide class struggle between the capitalist class and the world's disinterested toilers; also, we recognize the absolute failure of the private ownership of the coal mines which can never result in industrial and economic justice, therefore be it

Resolved, that we urge President Wilson and Congressman Kent to take steps immediately which will eventuate in the acquisition of the coal mines by the Federal Government—the mines to be operated under union conditions, and be it further

Resolved, that copies of these resolutions be sent to President Wilson, Congressman Kent and to the editors of the local newspapers.

Sonoma, California, May 30, 1914.

The United States Senatorship and Samuel M. Shortridge.

The phenomenal registration of Republicans in every section of California for the forthcoming August primary, and the general election to follow in November, almost equalling, as it does, the combined registration of all the other parties—the "Progressives," Democrats, Prohibitionists and Socialists—points unerringly to Republican victory at the polls the coming fall.

Too long has the people of this State been under the domination of the Hiram Johnson stripe of politicians, who are doing the "reform" act for all the "traffic will bear." Swept into office four years ago, by Republican votes, under the false and misleading cry of "reform" and "down with the machine," Johnson and his cohorts since assuming office have built up one of the most powerful and dangerous political machines California has ever known.

Relief now appears to be at hand, if the registration of Republican voters count for anything, and we are quite sure it does. It therefre behooves every Republican to go to the polls at the forthcoming election and see to it that the renegades and "machine" politicians of their party, now calling themselves "Progressives" be relegated to political oblivion, to the end that they will be forced to give way to honest and square men, who may be depended upon to serve the people instead of a disgraceful "machine" organization.

There are many leading Republicans in the State who will present their names to the voters at the August primaries for the various offices from United States Senator and Governor down, who are worthy of the support of the people in general and their party voters in particular, who may be depended upon to serve the people truly and well.

One of these is Samuel M. Shortridge, who aspires for the Senatorial toga. He seeks the Republican nomination for United States Senator to succeed Geo. C. Perkins, who will not be a candidate for re-election. Now, while Mr. Shortridge is not the only Republican aspiring for Senatorial preferment who is eminently qualified for the honor, because there are others; but we do say by virtue of those qualities which go to make up statesmanship, he undoubtedly leads them all in that respect. Then, too, he has the unqualified support of thousands upon thousands of Republicans all over the State without regard to location. There is a reason for this. During almost if not more than half a century residence among us, he has won the respect and esteem of his fellow-citizens for his ability as a lawyer, orator and all other qualities that count for good citizenship. And he is a good party man, a staunch Republican, deserving of the support of his fellow-Republicans in particular, and the voters of California in general.

The issue to be fought out at the polls next fall is the elimination of the Johnson machine and the so-called "Progressive" party at its back. This can only be accomplished by a united Republican party, and it behooves every voter who has registered as a Republican to stand up for his party candidates for the various offices and to it that the nominations go to good, true, tried and capable men.

One of these candidates we know is Hon. Samuel M. Shortridge, and we are quite sure he is deserving of the support of Republicans everywhere at the August primaries for the United States Senatorship. Should he receive the nomination of his party, he will be triumphantly elected next November.

Joseph P. Berry for Assessor.

Among the various county offices to be filled at the coming election is that of county assessor.

Strictly speaking, this office is the most important of the county offices, for it is through the same that practically all the taxes are raised for running the county government.

Our county is growing fast; many large tracts are being subdivided and consequently the volume of business in the assessor's office is continually increasing, and a successful handling of its affairs demands that the office be governed by a man of superior ability.

This fall we will doubtless be given opportunity to vote for one of several willing to serve us in the capacity of county assessor; their training will have been received in one or more of the numerous avenues of business life; some may possess capacity to handle this particular position little in excess of being able to draw their salary. It is not every man, even of fair ability, that possesses the combined requisites necessary to make a good county assessor. One may serve in a minor capacity in any establishment and still be lacking in the essentials to properly manage its affairs.

Our present assessor is Joseph P. Berry, who has been a resident of this county for over a quarter of century. About two years ago, Mr. Berry was appointed to fill the vacancy caused by the death of former Assessor Frank E. Dowd. During his term of office, Mr. Berry has proven himself to be an honest, painstaking official and fully qualified to handle its affairs. It is conceded that his administration has been of a high standard, and that he has accorded the same fair treatment to the smallest as to the largest taxpayer.

We, therefore, believe that Mr. Berry should succeed himself as assessor, and it is our opinion that the voters will continue in office this official who has proven himself trustworthy and competent, especially where his term has been limited to the period of two years.

SOCIETY EVENT---CLUB NOTES---PERSONAL MENTION

By-the-bye, I understand that an effort is to be made by the Boys' Band, to liven up our little town by providing a real attraction for Saturday nights, in the way of open-air concerts. If the City Trustees consent, and it is to be hoped they will, a dance platform is to be laid in the plaza, and the indulgence of that pleasant pastime afforded those who so enjoy it. There are any number of our young people, who very properly are not permitted to be out until the wee sma' hours from under the parental eye. Yet, you well know, Saturday's is the night on which amusement lures most provokingly strong, and if not provided at home, youth will seek it elsewhere, or become restive under restraint. Let us, then, have our summer plaza platform, as it is assuredly too warm to enjoy dancing within doors.

It is the intention, I believe of Manager Al Jansen, who has devoted endless time and energy to the Boys' Band, to shortly circulate a subscription among local business men, asking modest contributions to aid in replacing the platform in the plaza. In taking it up last season, much of the lumber was unavoidably mutilated too badly to be utilized this year, therefore additional expense must be incurred in its relaying. But as public sentiment very strongly favors brightness and activity at home on Saturday night, there is every reason to believe that Mr. Jansen will be very nicely received by Sonoma merchants.

From Messrs. M. E. Cummings and J. A. Picetti, members of Sonoma's Chamber of Commerce, and among the most active committeemen in charge of the Bear Flag days' ceremonies, I learn that the City Trustees will be importuned to retain in permanent position the electric globes, to be strung for the June illuminations, that they may be turned on when special occasion requires, or in the plaza on Saturday nights for a couple of hours or longer. It has been intimated, too, that our City Solons favor the proposition. If this becomes, with band concerts, as assured fact, it will be in order for the ladies of the Woman's Club Plaza Committee and the gentlemen comprising that of the municipality to unite efforts in the beautification of Sonoma's public square.

The engagement is announced of Captain H. E. Boyes, late of the Indian Navy, to Miss Shaw-Hellier, daughter of the late John Shaw-Hellier, of Weston, Bamfylde, Somerset, England, and neice of the late Colonel Shaw-Hellier who was Commandant to the Royal Military School of Music, at Kneller Hall, Hounslow, London, England. Miss Shaw-Hellier was six years in Africa, three of which were spent in the service of the government as head nurse during the Boer War, and as a reward for skillful and untiring labor she was awarded two medals. Miss Shaw-Hellier also spent a year in China. The fortunate gentleman to win the heart and hand of this highly cultured and attractive lady, needs no introduction to our readers. Captain Boyes is well and favorably known to residents throughout the county and is a gentleman of highest worth. His friends, and they are legion, extend congratulations to the popular groom-to-be and his fair bride-elect. No date has as yet been set for the marriage, which will take place in Vancouver, B. C., where Miss Shaw-Hellier resides.

Wm. Schuette and Mrs. Emma Stross, grandfather and mother of Mrs. Jack Gottenberg, came up from the metropolis to attend the funeral obsequies, last Saturday. After her husband's remains had been laid to rest in Mountain Cemetery, Mrs. Gottenberg returned with her relatives to the Bay City. Deep sympathy is felt among her host of friends, here and elsewhere, for the young wife, the bride of but two short years, whose youth has been so cruelly shadowed and happy wifehood terminated by the relentless Reaper. The love, and hopes, and happiness of wedded life are but gray ashes for the stricken girl-wife—only hallowed memories of tendernesses and dear companionship remain to assauge the loneliness and sorrow wrought by the Angel of Death. "God gave; He took; He will restore; He doeth all things well."

Saturday night of next week, at Chauvet Hall, Glen Ellen, will take place the entertainment and dance, to be given by Glen Ellen Circle, No 635, Women of Woodcraft. The program will include the amusing farce-comedy, "A Proposal Under Difficulties," to be interpreted by clever local talent. On the conclusion of the program dancing will be inaugurated, with the pleasure of the company and the management of the floor capably looked after by Messrs. L. A. Costa and J. M. Sobbe.

Wednesday night of next week, at Union Hall, the young people who are students at Presentation Convent will bid for the favor and kindly consideration of personal friends and patrons of the school. Rev. Mother Joseph is most zealous and splendidly successful in maintaining the high educational standard of the Convent, and as a school it is second to none. The examinations, are, for the most part, practically the same as those given the pupils of the public schools, and in the percentages received are attested competent, thorough instruction, as well as intelligent, clear perception and retention of knowledge by Convent students.

The social given at Woodman's Hall, Wednesday night, by the local branch of the Poultry Raisers' Federation, was one of the most thoroughly enjoyable gatherings ever held in our city, due in large measure to the fact that the company was so delightfully congenial. The hall had been artistically decorated with streamers of vari-colored crepe paper and greenery by Mesdames Burmester, Hansen and Casson. During the evening, Mr. E. Cliff gave in splendid style an entertaining monologue. Dancing was enjoyed to the very excellent Pauli music, and under the direction of H. D. Burmester as floor manager.

The Garden Party, given at the pretty homes of Mesdames Chase and Michelssen, Wednesday afternoon, afforded a few hours to be pleasantly remembered by the many ladies who gathered out-of-doors to enjoy the gracious hospitality of these ideal hostesses, congenial companionship, and glorious May sunshine. The beautifully-cultivated, fine voices of Mrs. Ralph Hotz and Misses Emilie Poppe and Gladys Simmons and Prof. Rowell were heard in pleasing selections, while cards, croquet, and the discussion of delectable refreshments made time slip away on fleet wings. About twenty-five dollars were added to the Woman's Club House fund as a result of the efforts of Mesdames Chase and Michelssen.

The spacious G. H. Hotz home was fragrant with the perfume of roses in profusion Thursday afternoon, on which occasion Mrs. Hotz was hostess to the Bridge Whist Club. An exquisitely hand-wrought pair of pillow cases, with carnation braid insert, displaying the exceptional skill of the hostess in needlework, was the prize awarded the lucky winner holding highest honors. Mrs. Samuel H. Haven was the fortunate and to-be-congratulated lady. Mrs. Hotz added to her laurels and the pleasure of her guests by the service of delicious refreshments.

The Commencement Exercises of the High School, to take place in Union Hall, Faiday night of next week, are the object of public interest, and as always the capacity of the hall will be taxed by the number of relatives and friends who will assemble to congratulate the young people who have completed the course. Those upon whom graduation diplomas will be conferred are: Eleanor Elizabeth Kehoe, Rena Marie Bish, Georgia Andrews, Edith F. Young, Gustav Dresel and J. Hsrold Weise.

Thursday afternoon of last week, at the splendid Waller ranch, at Embarcadero, the beautiful home of Mr. and Mrs. L Whalen was thrown open for the entertainment of a party of friends The hours were very enjoyably spent by the congenial company, who voted Mrs Whalen, whose hospitality was lavish, a most charming and entertaining hostess.

Mrs. S. B. Lewis has returned from Santa Rosa, whither she was summoned by the critical illness of her father, Mr. W. F. White, who for four weeks had been confined to his bed, his condition occasioning his family gravest anxiety. The aged gentleman suffered an attack of pneumonia, some weeks ago, from the effects of which he is recovering very slowly. The wonderful constitution of the highly esteemed pioneer has again asserted itself, and a legion of friends will learn with pleasure that Mr. White is able to be up and around again.

Mrs. F. B. Bacon, who for the past three weeks had been a guest at the homes of Mesdames H. F. Bates and L. H. Green, departed, Thursday morning, for Watsonville, where she will visit her sister before returning to her home in Los Angeles. Mrs. Bacon has a wide circle of friends in this city, of which she was a resident five years ago. She was accompanied as far as San Francisco by Mrs. Bates, who returned home last night.

Mrs Samuel H Haven and little daughter Rowena—Sonoma's beautifully perfect, prize-winning baby girl—departed for Oakland, yesterday morning, on a visit to Mrs. Haven's parents.

Misses Anna and Josie Husmann came over from Napa, Sunday, enjoyably passing the day with their sister, Mrs. J. Stackmeyer, at El Verano.

BOYES' SPRINGS HAPPENINGS

(BY ART HICKMAN)

Tomorrow will be responsible for a spirited battle, to be played on the Boyes' Springs diamond and the warriors will be Sonoma Ball Club against the Kenwood boys. Much rivalry has existed between the two valley teams and a lively contest is looked forward to.

Both teams have donated their services for a worthy cause, which I don't think necessary to mentton here, and Manager Modini, as well as all the other participants in tomorrow's fray, should be rewarded with a flattering attendance. Buy your ticket in town today for twenty-five cents. Big "Mike" Cummings and others have them ready for you.

Rudy Lichtenberg will appear on the mound for Kenwood in tomorrow's benefit game. This is Lichtenberg's second attempt this season and the first one being an immense success The wise ones are anxiously awaiting to see if the result wasn't an accident. He is in good shape and should give hard battle to his opponents.

Rudy Lichtenberg, accompanied by the writer, went to Martinez Tuesday to arrange a second annual Excursion to Boyes' Springs and from all indications it will surpass the one that was given last season. It will be remembered that on July 29th last the Martinez excursion landed five hundred and fifty people in Boyes' and I can safely say that this number will be swelled to a much larger number this time.

The object of this affair is to pit the talents of their fast ball team against the Santa Rosa team, of which Walter Nagle, secretary of Sonoma County Chamber of Commerce, is the head. Martinez boasts of thirty straight victories and Santa Rosa thinks they are capable of putting a stop to their unusual string of luck.

The county seat of Contra Costa county will be supported as before by the Martinez Band and also its Drum Corps, and will land in the valley at 9:30, Sunday morn, June the 7th.

Santa Rosa will follow their idois of the diamond principally by motor and a record crowd is anticipated.

NOTICE TO PROPERTY OWNERS.

The attention of property-owners of Sonoma is called to the following provisions of Ordinance No. 89, relating to public nuisances:

This permit shall specify the place where such excavation shall be made, and the extent thereof, or the place from which the soil or gravel is to be removed, and the quantity of soil or gravel to be removed, and the time within which said work shall be done; that it shall be understood and agreed between the party receiving the permit and the City of Sonoma, that the party receiving the permit shall assume all responsibility for damages, accidents or like responsibility for damage that may be occasioned by the carrying out of the rights and privileges hereby granted by this permit. It shall also be understood by the party receiving the permit, that all excavated soil or other material, which is to be returned to the excavation, must be well tamped and thoroughly wet down, and where any street, alley, sidewalk or thoroughfare has been paved or gravelled, such pavement or gravel must be kept separate from the excavated soil, and must be placed in the refilled excavation last.

"Section 3. Before a permit as herein required is granted, the party asking for it must deposit with the committee granting it, a sum of not less than $5.00, as a security that the excavation or excavations will be properly and satisfactorily refilled and to cover the cost of refilling such excavation or excavations, in case the same shall be done by the city, after the refusal or neglect of the person to do so whose duty it is It shall be optional with the committee to exact a bond from the party asking such permit, with at least two sureties, in lieu of such deposit, conditioned that said party asking for said permit shall properly and satisfactorily refill all excavations or excavations made pursuant to the provisions of this ordinance."

In the marriage of Joseph F. Groskopf and Miss Lena Clements, one of Vineburg's most popular and best-known bacheiors, joined the ranks of benedicts. The interesting event took place at the home of the bride's parents, at El Verano, Sunday, at high noon, in the presence of a large assemblage of relatives and friends. The residence was a perfect bower of flowers and foliage, the happy twain standing before an improvised altar of roses and greenery, while Rev. T. M. Price performed the ceremony. The entrance of the bridal party was very pretty, and was led by the dainty, petite ring-bearer, Stella McGill, and little flower maidens, the Misses Katie and Tillie Clements, who scattered rose petals in the pathway of their sister, while the Bridal March from Lohengrin was finely executed by Mrs. F. Stackmeyer and Ralph Busby, piano and violin. During the ceremony, Engelmann's "Melody of Love" was exquisitely rendered. The bride was beautifully dressed in white crepe de chine, with shadow lace trimmings. She carried a shower of liljes of the valley and maiden-hair fern. She was attended by her sister, Miss Mamie Clement, who was gowned in blue. Charles Groskopf supported his brother as best man. A wedding feast followed, and on the afternoon train Mr. and Mrs. Groskopf took their departure for the southern part of the state, on a honeymoon trip. On their return, they are to reside in Sonoma, in the Chelini cottage on Second street, West. A wide circle of friends extend cordial felicitations to Mr. and Mrs. Groskopf, who are numbered among our most worthy and highly esteemed yonng people.
